**Ministry News**

We are excited to announce that A Story For His Glory Ministries, Inc. Is an official 501(c)(3), non-profit ministry! God is so faithful and we trust that He will continue to meet our needs.

**Testimony**

We had been praying and seeking the Lord on what His plans were for this Ministry. In May, we spoke to a lawyer that was able to help us begin the process of filing for our articles of incorporation. Soon after, I spoke to an accountant on helping with filing our 1023 paperwork. All the while, we were praying that God would reveal Himself to us and to confirm His plans for us going forward. A few days later, I opened the mail box to find our IRS paperwork that declared we had been approved and were officially a non-profit entity! Hallelujah! Praise be to God! The confirmation that we had prayed for was on the IRS paperwork, it had been stamped "June 17th!" That is such a special date to us because it is also the day in 2015 that God had chosen us to adopt our daughter, Ella Joy, and I feel that stamping the paperwork on that date was God's confirmation that we were doing what He was directing us to do.
